

HOUSING DIGNITY · MILPITAS HACKS

YNorth

Find your way [home](#).

01

THE CHALLENGE

**Maria doesn't have a
money problem. She
has a **map problem**.**

The help she needs exists. The path to
it is an invisible maze.

02

THE IDEA

So we built her a **map.**

NOW

Get to safety tonight.

SOON

The ID, the benefits, the waitlist.

HOME

The road to a stable place.

02 THE IDEA · LIVE

Watch Maria find her **way out.**

Thirty seconds. It used to be three
weeks of phone calls.

Share it, print it, or carry it as a QR
code — even without a phone.

02 TRUTH & DIGNITY

It cannot lie to her.

Only real, verified help — researched
live. Her story never leaves her phone.

✦ THE CALL

She can't make the call. So YNorth **makes it for her.**

© YNORTH IS CALLING FOR HER

Calling 211... through the menu · on hold

✓ “Here's your answer — and your next step.”

✦ THE NETWORK

Help Maria once — the next Maria starts ahead.

A SITUATION

lost my job

facing eviction

have kids

a model
that
learns

WHAT ACTUALLY
WORKS

free legal aid

rent assistance

family shelter

03

THE PROCESS

All of it, **in a day.** And
it's real.

Voice · any language

Grounded AI that can't lie

AI voice agent — calls for you

A model that learns · offline-ready

04

THE IMPACT

The maze finally has a door.

HOUSING DIGNITY TRACK

Real impact A clear path for the person the system forgets — any language, anywhere.

Tech depth Grounded truth + an AI voice agent + a model that learns.

Creativity Not a chatbot — a compass that calls for you and learns.

05

RECOGNITION & GROWTH

Every path makes the **next one shorter.**

Collective intelligence, pointed at
getting people home.

06

WHAT'S NEXT

Put YNorth in **real** **hands.**

A 211. A city. A library. A shelter. Free to
the person — always.

Our ask: one pilot partner.

THE VISION

**Maria didn't need a
hero. She needed a
door.**

YNorth points home.
